### **from our clients**

“Your firm referred us to John Anderson. I cannot make enough complementary comments about John. Throughout our negotiations with my future partner we had many highs and lows, John always remained positive and kept us on our path to finalize our new partnership. I would highly recommend John to any physician

seeking to negotiate a new associate. He is truly a professional and someone I also can say has become a friend." – *ROBERT T. CLARK M.D.*
